## “Keeping Your Kids Catholic”

### Join us as Mrs. Martin shares:

- Strategies directed toward younger children and teens on how to strengthen their faith before they leave for college.
- Successes and what is working on college campuses to support and grow college students' faith.
- How and why students are responding to the truth of Christ.

### Startling statistics reveal that:

- Only 30% of Americans who were raised Catholic are still practicing their faith. (Sherry Waddell).
- Over 80% of those who leave the Catholic Faith do so by the age of 23 (Pew Research 2009).
- The fastest growing religious demographic in the U.S. are people who list their faith as unaffiliated (Pew Research 2008).
