

The Pope Paul VI Institute: Celebrating Its Magnum Opus

The *Magnum Opus*--or the Great Work of the Pope Paul VI Institute--is our 50 year response to the final paragraph of *Humanae Vitae*, the final appeal of Pope Paul VI calling all persons of good will, especially OB/Gyns like Dr. Thomas W. Hilgers, founder and director of the PPVI Institute, and folks like you, diocesan directors of Marriage & Family, to work to spread the truth and ethics of natural systems of family planning (FertilityCare) and a science of women's healthcare (NaProTechnology) that is completely moral and good for the woman, their marriages, their family and society.
