Healthcare workers are overwhelmed with caring for the sick - Jesus, hear my heart.

Family members and friends are struggling, trying to get back to the States - Jesus, hear my heart.

For mommas whose babies are being born in this time of uncertainty - Jesus, hear my heart.

For our priests and bishop who are carrying the pain and concerns of their flocks - Jesus, hear my heart.

For our high school seniors whose lives and plans are being disrupted and who have little life experience on weathering storms - Jesus, hear my heart.

For peace to reign in the hearts of those filled with fear, especially those whose health is already compromised - Jesus, hear my heart.

For this time of being without You in the Eucharist, increase our hunger for a deeper connection to You - Jesus, hear my heart.

For the parents struggling to arrange for someone to care for their children while school's dismissed - Jesus, hear my heart.

For all those affected financially during this time of great change - Jesus, hear my heart.

For those who are uncomfortable with the added time of stillness and silence - Jesus, hear my heart.

For all those responsible for making decisions that affect the lives of so many - Jesus, hear my heart.

For families who find it difficult to spend extended time together - Jesus, hear my heart.

For healing- physically, emotionally, spiritually - to take place in the most unexpected ways - Jesus, hear my heart.

That I would keep my focus on You when the world is throwing so much uncertainty at me - Jesus, hear my heart.

Amen
