

"The Mission of Love"

"Man cannot live without love, He remains a being that is incomprehensible for himself, his life is senseless, if love is not revealed to him, if he does not encounter love, if he does not experience it and make it his own, if he does not participate intimately in it."

St. John Paul II

Join **Steven Bozza** when he will discuss the primary vocation of every person to love selflessly, how marriage reveals God's love, how the family is the first school of love for their children and how this love ripples through society.
