Exhibits shall be designed and set up to fit within the confines of the specified booth sizes, and will not be permitted to obscure the view of the adjacent booths. If the planned exhibit cannot follow the above policy, the exhibiting firm is required to submit to NACFLM a simple dimensional-like drawing of the planned exhibit – both plane and elevation – by **April 20, 2017**. This plan may or may not be approved. Final approval rests with the NACFLM Conference Exhibitor Coordinators.

Exhibitors requiring the operation of audio-visual equipment may not operate the equipment in such a manner that it disturbs other exhibitors.

All demonstrations and sales activities must be confined to the limits of an exhibitor's booth.

Assigning, subletting, or apportioning the whole or part of the space allocated to an exhibiting firm is not permitted without the prior knowledge and consent of the Conference Exhibits Coordinators.

Exits and aisles must be clear of boxes and material during exhibit hours.

Exhibitors may write orders for delivery at a later date. Promotional giveaways are permitted and encouraged.
