Family Love: A Vocation & A Path to Holiness

A Toolkit to Celebrate Families

Created by:
FAMILY PRAYER CHALLENGE

As a parish community, invite each family to grow closer to the Lord and one another through prayer and other activities.

This challenge gives families an opportunity to build the habit of prayer in their domestic church!

FAMILY SMALL GROUPS

Families have a unique role in handing on the faith within their Domestic Church. Invite parish households to join together to encourage, form, and strengthen each other in becoming places where the Gospel takes on flesh.

GATHER AT THE TABLE

As we wrap up celebrating the Year of the Family with the rest of the world, we invite you to celebrate the families of your parish over a shared meal. Consider your unique identity as a parish and ways that you could expand on a simple pot luck.
INTRODUCTION
Venerable Patrick Peyton was known for saying, “The family who prays together, stays together.” A Family Prayer Challenge gives your parish the opportunity to help families grow in the habit of prayer while spending quality time together. It can help them stretch outside their comfort zone, learning a new prayer or prayer style. It helps them get to know one another better, discovering their preference in prayer, best time of day to pray, as well as allowing them to be more vulnerable and open with one another. There are also opportunities for them to witness their faith and share their gifts with others. A Family Prayer Challenge may offer incentives or prizes, but the true gain will be growing in relationship with God and one another.

SETTING UP THE CHALLENGE

- **Decide on a length for the challenge.** Knowing the families in your parish community, determine how long the challenge should be (e.g., week, month, liturgical season such as Lent or Easter). Choose a start & end date and when you will begin promotions.

- **Consider including other ministries.** Collaborate with other parish ministries in the parish (i.e., Knights of Columbus) to provide incentives for families who participate. This could be providing prizes for each participating family (medal, ticket to a Pancake Breakfast, cash scholarship, etc.) or a donation to a local charity in honor of the families at your parish.

- **Provide signs of celebration.** Utilizing the Family Prayer Challenge Window Design, provide signs that families can personalize and display in their windows to show their participation in the challenge. Print off copies or have an easy way for families to download it. Give them talking points to use if neighbors, postal carriers, delivery person, or others ask what it means. Be sure to display a decorated sign at the parish as well!
Advertise. Advertise. Advertise. Get the word out by using all available channels (bulletin, announcements, schools, Faith Formation programs, social media, etc.). Ask families to invite their friends and extended family as well!

Make this a fun and easy experience for families. Give the challenge a prominent place on your parish website that is easy to find. Have a parish staff member that they can contact if there are any questions. Make all the materials available (easily downloadable or in a convenient place to pick-up). The clearer it is for parents to know what is expected and when, the easier it will be for them to participate.

Empower parents & instill confidence. Families may not be familiar with all of the prayer styles you are introducing or may not feel comfortable leading their children in that prayer style- that is okay. When questions arise, offer praise and encouragement as well as share resources that may assist them. We have included some links in the online document to assist.

We invite you & your family to join in the Year of the Family Prayer Challenge! We are currently in the Amoris Laetitia Year of the Family, which will end at the World Meeting of Families in June. Pope Francis has written often about the importance of family and this prayer challenge gives us a great opportunity to celebrate and pray with and for the families at our parish! Stay tuned for more details on how your family can be part of this very special year!

- Prayers of the Faithful. Include an intention each week of the challenge at all masses for those participating.

- Utilize Flocknote or your current electronic communications. Send notes throughout the challenge letting families know that you are praying for them and to keep up the great work! Remind them that the goal is not for perfection, but simply to take the time to pray together. You can also include an invitation to connect via your parish social media channels so that they can connect with other families.

- In the classroom. Have catechists or teachers utilize some of the prayer styles so that children can experience at the parish what they are also experiencing at home.

- Phone calls. Call families throughout the challenge to thank them for participating and ask if they have any intentions they would like the parish to pray for through your parish intercessory prayer team.

- Social media. Use your parish social media channels to send out encouraging messages, pictures of staff members or clergy participating in the challenge, and invitations to families to post pictures of their prayer experiences on your channels. Invite everyone doing the challenge to use this hashtag so they can connect with families all over Region VI (Michigan and Ohio) who are doing Family Prayer Challenges: #FamilyPrayerChallenge.

Catholic Families: Living the Domestic Church

The Christian family has been called the Domestic Church since the early days of Christianity. This title recognizes the unique role of the family in the life of the Church and places great emphasis on the importance of the family in handing on the faith, not merely within the family, but in the world around them as well. Regardless of your cultural, economic, or personal origin, ‘Catholic parents must learn to form their family as a domestic church, a church in the home as it were, where God is honored, his law is respected, prayer is a normal event, virtue is transmitted by word and example, and everyone shares the hopes, the problems, and sufferings of everyone else.’ The home must be a place where the Gospel takes on living flesh.

When was the last time you joined another family in your parish for dinner, prayer, and a time to play? Come find out how to grow in your faith by walking alongside other families in family small group gatherings. Being intentional in reaching out to one family at a time (like Jesus did) helps us grow as one family in Christ. Stay tuned for more details!

Year 2021 - 2022
Preparation

- Develop or discover material for small groups several months before the process begins.
- If you are developing the material, make sure several people have input into the process.
- Identify potential small group leaders (facilitators) during this same period.
- Ask for other potential small group leaders about two months before the program starts. There are parishioners who can lead small groups whom the parish might not already know.
- Determine what kind of orientation small group leaders will need; have them go through this orientation at least a month before the small groups begin.

Ideas to help kick-start family small groups:

- Offer a Parish Mass to kick-off the World Meeting of Families (June 22-26, 2022).
- Identify and invite family leaders (6-8 couples or families) to invite other families to the Mass.
- Invite all parishioners to join a small group which best supports their day-to-day walk as domestic churches.

Celebrate the Culmination of the Year of the Family with Your Parish Family!

As we wrap up observance of the Year of the Family with the rest of the world, we invite you to celebrate the families of our parish over a shared meal. All parish households are invited to a Parish Potluck on [date & time]. Sign up [here] to attend and prepare a favorite family recipe to share!

Our Parish Potluck: Many Families United as One Family!

Last week we celebrated families as part of the Year of the Family activities through a Parish Potluck. It was wonderful to see all forms of families share a festive meal and enjoy conversation with others. Check out the parish social media to see photos from the event. We hope that all families of the parish will continue to reach out to others, including the aged, the lonely, and marginalized households. As Catholic families, let us nurture these relationships as a part of the family of Jesus Christ!

- Begin promotion! Adapt sample bulletin announcements, flyer and social media using templates on following pages [links on sidebar]. Remind families at the end of Mass.

On Potluck Day

- Orient volunteers, set up space for the meal and test the sound system.
- Welcome families to drop off their meal contributions and find seating.

- Thank those who have attended and send them off with a blessing.

Follow-Up to Event

- Post photos of the event on social media.
- Include a message in the next Sunday’s bulletin, thanking the families for participating and celebrating them.
ADDITIONAL IDEAS

- Provide activities for families such as coloring sheets or other activities.
- Provide participants with a prayer card for the World Meeting of Families.
- Host a themed potluck, where families supply recipes based on a specific theme such as:
  - *Laudato Si: Go Green*— Ask families bring their own utensils and plates; share information from Laudato Si. [https://laudatosimovement.org/#join](https://laudatosimovement.org/#join)
  - *Evangelii Gaudium: Be Joyous*— Suggest parishioners invite someone they know that has fallen away from the church to come and enjoy a meal. Or perhaps a priest can hear confessions somewhere near the event.
  - Refugee’s, Mental Health, Cultural Awareness, or Blessings — Gather parish leaders and discuss something that your parish feels called to celebrate within their families.
- If pandemic pre-cautions curtail the event indoors, host the event outside.
  - Instead of having families bring potluck, consider a parish tailgate. Ask families to decorate their cars in celebration of their family.
  - If parish resources allow, bring in Food Trucks and a Band/DJ or musicians willing to perform instead. Consider hosting this in combination with a canned-good drive.
  - Set up socially distanced activities like corn-hole or other yard games.
