**STRENGTHENING the Married**

*“As a couple grows in virtue, they grow in holiness. In other words, the couple acquires, by prayer and discipline, those interior qualities that open them to God’s love and allow them to share in his love more deeply. Couples instinctively understand this when they speak about their marriage being a means of leading each other to heaven...*

*“Communication and relationship skills are crucial to building such intimacy. As spouses learn to improve their communication, they can better respond to each other’s need for love, acceptance, and appreciation. They deepen marital intimacy and strengthen their practice of chastity.”*
